

BIN RULES

In the interest of keeping our grounds clean, tidy and free from vermin it is vitally important that we dispose of our waste correctly. If we do not dispose of our waste correctly, the bins will not be collected and we will be fined. Please note the rules below;

- Lids must be closed
- No excess waste/bags/rubbish will be taken
- DO NOT place any type of PLASTIC OR CARRIER BAG in the BLUE bin or DRY RECYCLING bin
- Wash and squash any containers that have contained food or drink
- Remove lids from plastic bottles and where possible squash all bottles

Below shows what can be put in each bin;

BLUE BIN & DRY RECYLING	
Yes thanks	No thanks
Aerosols Aluminum foil Cans and tins Card/cardboard Drinks cartons Glass bottles and jars Paper - all types Plastic bottles Plastic containers Shredded paper Junk mail	Any kind of PLASTIC BAG

DO NOT DUMP any unwanted furniture, electrical items, boxes or any other waste that does not fit in the bins. We will monitor via CCTV footage any dumping/fly tipping of rubbish and will pass the cost to remove the rubbish to the person responsible.

There is a local Rubbish Tip
